Section 2. Probation Period

- (a) All new employees hired shall be considered as probationary employees for the first fifty-two (52) weeks of their employment. Upon the mutual written agreement of the President of PEF, or his/her designee, and the County, an employee's probationary period can be shortened to a period between eight (8) and fifty-two (52) weeks. When an employee completes his/her probationary period, he/she shall be entered on the seniority list retroactive to his/her date of hire. There shall be no seniority among probationary employees. continuous service shall be removed from his/her record.

Section 5. Temporary Employees

Temporary (as opposed to part-time) employees shall be hired only to supplement the regular work force in seasonal peak periods or emergencies. No temporary employee shall fill any established vacant position, nor shall they be hired on a temporary basis to fill higher than entrance level positions, except when permanent employees in such entrance level positions are not available to fill such positions on a temporary reassignment.

ARTICLE 6 - WORK FORCE CHANGES

Section 1. Promotion & Filling of Vacancies (Non-Competitive)

(a) The term promotion means the advancement of an employee to a higher position or the reassignment of any employee to a higher paying position. Upon promotion, an employee shall receive the salary equal to the step that is at least one-half (1/2) increment of the new salary grade above his/her present salary.

(b) Whenever an opportunity for promotion occurs or a job opening occurs in other than a temporary situation in any existing job classification, or as the result of the development or establishment of a new job classification, a notice of such openings shall be posted on all bulletin boards, stating the job classification, rate of pay and the nature of the job requirements in order to qualify. The PEF Council Leader shall be given a copy of all postings when they occur. Such posting shall be for a period of not less than five (5) work days.

(c) During this period, employees who wish to apply for the open position, including employees on layoff, may do so. The application shall be in writing, and it shall be submitted to the employee's immediate supervisor.

(d) The Employer shall fill job openings or vacancies from among those bargaining unit employees who have applied and meet the job requirements (which may include the employee's work record). When more than one employee is equally qualified, the employee with the greatest seniority will be awarded the position.

(e) Any employee selected in accordance with the procedure set forth above shall undergo a probationary period of twelve (12) weeks unless the County waives the probationary period in writing or the twelve (12) week probationary period is reduced to between four (4) and twelve (12) weeks by the mutual written agreement of the President of PEF, or his/her designee, and the County. If it is found that such employee does not meet the requirements or responsibilities of the position to which he/she has been selected during the probationary (trial) period, then such employee shall be restored to his/her former position. The Union and the employee shall be notified in writing by the employer of any situation which would affect an employee's status during the probationary (trial) period at least fourteen (14) calendar days prior to the end of such probationary period. At the employee's request, the County Administrator or his/her designee will

meet with the employee to review the terms of the 14-day notice. The employee may request the participation of the PEF representative at the review meeting. If the employer determines that the employee does not meet the requirements of the position, the employee maintains the right to challenge such a determination through the grievance procedure.

(f) The Union shall be notified by the Employer in writing immediately upon any job vacancies occurring by reason of resignation, retirement, or "just cause" discharge.

Section 2. Promotion and Filling of Vacancies (Competitive Classification)

(a) All permanent and temporary job openings which last more than thirty (30) working days will be posted.

(b) It is understood and agreed that whenever examinations are requested of the Department of Civil Service of Allegany County for the purpose of establishing a Civil Service Eligibility List of persons to be considered for filling positions coming under the scope of the *New York State Civil Service Law* and covered by this Agreement, the Employer shall request that both a Promotional List and an Open Competitive List of Eligibility be established, the Promotion List being restricted solely to employees already in the employ of the Employer.

(c) Whenever a job opening occurs in competitive civil service job classifications, the normal procedure for the selection of candidates from an appropriate civil service eligibility list shall apply, except:

- 1) That candidates on the established promotional list shall be given preference before any consideration may be given to names appearing on the open competitive list;
- 2) A departmental employee who bids the position and meets the civil service requirements shall be given preference. If appointment is to a higher graded position, it shall be treated as a promotion;
- 3) An employee appointed to a higher graded position in another department shall be treated as a promotion. Selection of appointment in this instance rests solely with the appointing authority.

(d) Employees promoted within competitive classifications will undergo a probationary term of twelve (12) weeks unless the County and the President of PEF, or his/her designee, mutually agree in writing to reduce the probationary period to a period between four (4) and twelve (12) weeks. If the employee is promoted off an open competitive list, he or she will undergo a probationary term of fifty-two (52) weeks unless the President of PEF, or his/her designee, and the County agree in writing to reduce the probationary period to anything between eight (8) and fifty-two (52) weeks.

(e) The Union and the employee shall be notified in writing by the employer of any situation which would affect an employee's status during their probationary period at least fourteen (14) calendar days prior to the end of such probationary period. When it is necessary for higher classification employees to work in lower classification and no one volunteers for such assignment, then the least senior employee in the classification nearest the lower classification or work to be performed shall be selected and so on up until the necessary employees required has been achieved.

(c) Employees assigned to temporary job openings shall be paid the wage rate established for the job or their own wage rate, whichever is higher no later than the next regular payroll check.

Section 4. Demotions

(a) The term demotion, as used in this provision, means the reassignment, not requested by the employee, of an employee from a position in one job classification or in another job classification.

(b) Demotions shall be made only to avoid laying-off or dismissing employees.

Section 5. Layoff

(a) In the event the Employer plans to lay off employees for any reason, the Employer shall meet with the Union to review such anticipated layoff.

(b) When such action takes place it shall be accomplished by laying off temporary and probationary employees first. Should it be necessary to further reduce the work force, then regular employees shall be laid off in the inverse order of seniority.

(c) The Employer shall forward a list of those employees being laid off to the PEF Council Leader

and PEF Field Representative on the same date that the notices are issued to the employees.

(d) Employees to be laid off shall have at least five (5) work days' notice, ten (10) days if possible.

(e) The County will conduct any layoff in the competitive class pursuant to *New York State Civil Service Law* §80 and other pertinent sections of the *Civil Service Law*, as well as the *Allegany Civil Service Rules*. The County will conduct any layoff in the non-competitive class pursuant to *New York State Civil Service Law* §80-a and other pertinent sections of the *Civil Service Law*.

(f) When an employee is laid off due to reduction in the work force, he/she shall be permitted to exercise his/her seniority right to bump or replace an employee with less seniority within the layoff unit. Such employee may, if he/she so desires, bump an employee in an equal or lower job classification provided the bumping employee has greater seniority and meets the qualifications of the position held by the employee whom he/she bumps.

Section 6. Recall

(a) When the work force is increased after layoff, employees will be recalled according to seniority. Notice of recall shall be sent to the employee at his/her last known address by Registered Mail, Return Receipt Requested. A copy of the recall notice(s) shall be sent concurrently to the Union. If any employee fails to report for work within fifteen (15) days from the date of mailing of notice of recall, he/she shall be considered a quit. Recall rights for an employee shall expire a period of four (4) years from the date of layoff. In the year the employee is on probation, the amount shall be prorated. Such option must be exercised during the month of November, effective the following January 1. This payment can be made only when the employee signs a statement that the employee has health insurance through the spouse's employment, other employment of the employee, or a private insurance plan. The withdrawing employee may rejoin a County plan during an open enrollment period or during a special enrollment period due to a life changing event as defined in the health plan summary plan description. If a husband and wife are both employed by the County, then they shall be eligible for only one (1) plan coverage policy, and only eligible to cash in that one (1) policy pursuant to this Section. In the event the County would place an employee on two (2) single health insurance plans and the employee was eligible for double coverage above, the amount received would be for family coverage.

(j) Retiree Health Insurance

Employees and any covered dependents eligible for retiree health insurance will be required to enroll into a County sponsored Medicare Advantage Plan, if such plan is available as currently provided under Forever Blue PPO 799 offered by BlueCross BlueShield of Western New York or an substantially equivalent policy, when they become Medicare Parts A and B eligible. Failure to enroll in Medicare Parts A and B or a County sponsored Medicare Advantage Plan when eligible will result in a loss of health insurance benefits.

New Employees

Employees who were hired after September 13, 2010, are not entitled to participate in any of the permanent County-provided health insurance plans upon their retirement from the County. These employees may receive credit for unused sick time for that purpose. In addition, such employees will be allowed to continue to carry either single or family coverage of the "Option 1 Plan" from their date of retirement until they become Medicare eligible if they have at least fifteen (15) years of consecutive, benefit-eligible County service immediately preceding retirement from the County under the New York State Retirement System. Upon retirement, these employees shall make the same percentage contribution to premiums as they did on the date of their retirement for a single coverage plan. Notwithstanding the foregoing, in accordance with County policy, employees who have family coverage will pay half the premiums for family coverage. Once dependents become Medicare eligible or otherwise become ineligible under the Summary Plan Description, they shall be dropped from the County Plan. If the retiree who was carrying family coverage is still not Medicare eligible and all dependents are removed from County coverage, they will contribute the single contribution rate that was in effect at the time of their retirement. Once the employee who retired becomes Medicare eligible, they will no longer be eligible to carry single or family County health insurance. Once an election is made for single insurance in retirement, that election cannot be changed to family coverage at any time, nor are they able to add dependents to the plan. This provision will not extend to newly hired or transferred employees after the expiration date of this collective bargaining agreement. However, this

provision shall continue to apply to all employees hired after September 13, 2010, and on or before December 31, 2025.

For such employees who retire from County employment under the New York State Retirement System, they may credit the value of up to 165 days of unused sick time toward the full premium for Option 1 health insurance coverage. The County will calculate 100% of an employee's unused sick leave credits at the per diem rate of pay the employee was receiving on the last payroll before retirement. The County will continue to provide Option 1 health insurance benefits to retirees covered by this provision until the County has exhausted the equivalent dollar value of unused sick leave paying for the retired employee's Option 1 health insurance. Employees covered by this provision must, as a necessary condition of such continuation of health insurance, enroll in Medicare Parts A and B immediately upon becoming Medicare eligible and continue enrollment in Parts A and B throughout the period they continue this health insurance through the County. To the extent that any retired employee has a right to continued coverage under COBRA resulting from the retiree's separation of employment with the County, such COBRA coverage shall run concurrently with the coverage generated by the conversion of unused sick time provided for by this section.

Existing Employees

Employees who were employed in the PEF unit on or before September 13, 2010 or who were transferred or promoted into the PEF unit from any other Allegany County full-time position prior to June 1, 2016 may, after ten years of County service retire under the New York State Retirement System, continue their health insurance under the Option 1 plan until they become eligible for Medicare Part A and B. Failure to enroll in a Medicare Part A and B or a County sponsored Medicare Advantage Plan when eligible will result in a loss of health insurance benefits. Upon retirement, retired employees shall make the same percentage contribution to premiums that were in place on the day of their retirement. Notwithstanding the foregoing, in accordance with County policy, employees who have family coverage and for whom both spouses are under 62 will pay half of the premiums for family coverage until at least one spouse reaches 62, at which point they will contribute to the same extent as if they had retired when they had already reached the age of 62.

Any employee who is transferred or promoted into the PEF unit from any other Allegany County full-time position on or after June 1, 2016 will be treated as a "Existing Employee" under Article 14(j) only if s/he had the right, in his or her prior position, to retiree health insurance under the Option 1 Plan. In the event an employee is to be suspended or discharged, the employee and the Union shall be notified prior to the suspension or discharge and shall have the opportunity to process a grievance through Step 2 hereunder the second step prior to the action being taken. In the event the employee's presence on the job would be hazardous to himself, other employees, or the public, the County shall make every reasonable effort to contact the Union prior to an employee's immediate suspension.

After the Step 2 meeting is held or in the event the employee fails to timely file a grievance at Step 2, the employee may be suspended without pay for a period of not more than thirty (30) calendar days. The period of suspension, without pay, may be considered as part of the penalty. If the employee is acquitted, he/she shall be restored to his/her position with full pay for the period of the suspension less any amount of compensation which he/she may have earned in any other employment or occupation and any other unemployment insurance benefits he/she may have received through such period. If the employee is found guilty of the charges, a copy of the charges, his/her written answer as required by the grievance procedure and the arbitrator's award shall be filed in the office of the department or agency in which he/she was employed and a copy shall be

filed with the Allegany County Department of Civil Service having jurisdiction over such position.

No removal or disciplinary action proceedings shall be commenced more than eighteen (18) months after the occurrence of the alleged act or omission complained of. However, the eighteen (18) month limitation shall not apply where conduct complained of would, if proven in a Court of appropriate jurisdiction, constitute a crime.

This article shall not apply to probationary employees.
